Rivers will **beat any quote** by 5%\*

At Rivers we bring together a wide range of available options for your next special event or celebration, we pride ourselves on superior products and service but we also ensure that our product is competitive.

We set our prices against our competitors, and keep regular check of what's happening in the marketplace.

Of course we appreciate you may want to shop around and get the best price. That's why we offer you our Price Promise simply present to us your quote and once verified we will not only match it but give you a further 5% discount.

\*price matching can only take place where the product and service is identical to a product and service that is available from Rivers. Price promise is not valid with any other offer including Rivers Platinum members.
